## DETAILED ACTION

### ***Election/Restrictions***

1. Applicant's election of species A in the reply filed on 12/23/05 is acknowledged.

Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

2. Claims 3, 5-7, and 9-11 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected species B-J, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on 12/23/05.

### ***Claim Rejections - 35 USC § 102***

3. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

4. Claims 1, 2, 4, 8, 12-17 are rejected under 35 U.S.C. 102(e) as being anticipated by Kawabata et al. (US 6,520,879 B2).
